QUALIFICATIONS
- A Bachelor’s Degree in one of the following areas:
  - Adaptive Physical Education (with or without teacher certification)
  - Child Development
  - Child Life
  - Communication Disorders
  - Family Studies
  - Health
  - Human Development
  - Psychology
  - Rehabilitative Counseling/Rehabilitation Services
  - Social Work
  - Sociology
  - Special Education (with or without teacher certification)
- Or with a Bachelor’s Degree in any field and at least 18 hours of college credit directly related to early intervention
- Previous experience in working with children ages birth to three and parents

REPORTS TO
Early Childhood Intervention Supervisor, Early Childhood Intervention Coordinator

JOB GOAL
To provide evaluation, consultation, and direct services in the child’s natural environment in the area of developmental services and/or family education;
To provide parents information, support, and assistance in parenting and interacting with their child with developmental delays in order to help their child grow and develop in an optimum manner

PERFORMANCE RESPONSIBILITIES
- Enroll in the Orientation to ECI
- Accept referrals, screen, and complete intakes on children assigned
- Represent one of two required disciplines for evaluations, assessments and IFSP development, completing reports as appropriate
Schedule and participate in Individual Family Service Plan (IFSP) meetings as a member of the interdisciplinary team assisting in the development of the plan for each child and family.

Deliver all services for which you are responsible, as identified in each child’s IFSP; follow local procedures for making up missed visits and following up with families with frequent absences.

---

**SPECIAL CONSIDERATIONS**
